Title Index to Volume 11

A cohort study of Norplant implant: side-effects and acceptance 97
Comparison of the efficacy of intrauterine diclofenac and ibuprofen pellets as adjuvants to quinacrine nonsurgical female sterilization 303
Contraceptive choice in Vigevano, Italy, 1983–1993 263
Contraceptive use and reproductive history in women with cervical human papillomavirus infection 273
Effects of a progesterone-only pill (Exluton) and an intrauterine device (Multiload Cu250) on breastfeeding 143
Effects of an implant of nomegestrol acetate, a 19-nor-progesterone derivative, on thyroid function 295
The effects of two phasic oral contraceptives on hemostasis and platelet function 227
Family planning knowledge and practice among Nigerian women attending an antenatal clinic 335
Follow-up of women seeking sterilization reversal: a Brazilian experience 157
The frameless GyneFix® intrauterine implant: a major improvement in efficacy, expulsion and tolerance 131
A framework for establishing integrated reproductive health training 317
Institutionalizing fertility management/human sexuality training in Colombian nursing schools 325
Low dose progestin contraception and the nursing mother 285
Materials, methods and results of the Norplant training program 255
Menstual disorders and pelvic pain after sterilization 309
Natural family planning effectiveness in Belgium 165
Ovarian function after seven years' use of a levonorgestrel IUD 85
A potential single insertion protocol for quinacrine pellet non-surgical female sterilization 239
Quality of care among Jamaican private physicians offering family planning services 245
A randomized comparative study of the TCu380A and Cu-Safe 300 IUDs 123
A review of safety, efficacy, pros and cons, and issues of puerperal tubal sterilization – an update 187
Sexual behavior of natural family planning users in Germany and its changes over time 173
A single-dose and 3-month clinical–pharmacokinetic study with a new combination oral contraceptive 207
Usefulness of a clinical scoring system to anticipate difficulty of Norplant removal 345
'U' technique and standard technique of Norplant removal 115
